MÆNSA PREMIUM COLLECTION

INSPIRED BY ELEGANCE OF NATURE

MÆNSA ALMAS red fever

Designer: Bucurenciu I. Mircea

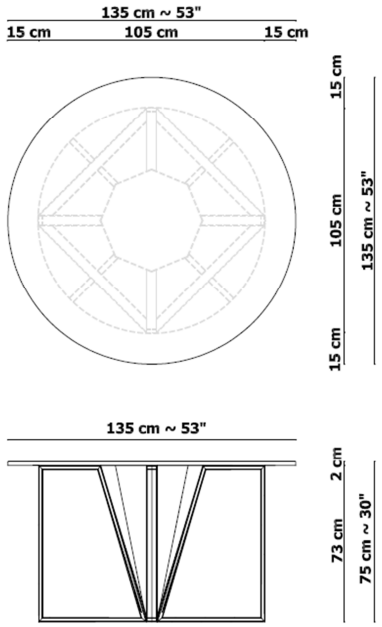

MÆNSA ALMAS red fever is a high quality product. The top is made of Fior di Pesco Carnico marble, which is a refined stone with a dark background with shades of grey to green and spectacular veining with colors that have a tinge of red to pink. This type of marble originates from Italy, the Forni Avoltri area and is a premium marble which will add value and sophistication to any room.

The spectacular metal structure was designed and built with a central core as a spatial structure with different planes in diamond shape. This exquisite design product stands out for its harmony shape and strong personality.
