MÆNSA PREMIUM COLLECTION

INSPIRED BY ELEGANCE OF NATURE

MÆNSA KHASUN deep roots

Designer: Bucurenciu I. Mircea

MÆNSA KHASUN deep roots is a high quality product. The design of the table is imposing and spectacular both through its simplicity and premium quality of the materials. The Ruschita marble used for this table is a marble that is extracted from Romania, in the south of Poiana Rusca mountains and that varies from shades of intensely veined pink, light pink to white with gray veining with shades of cream.

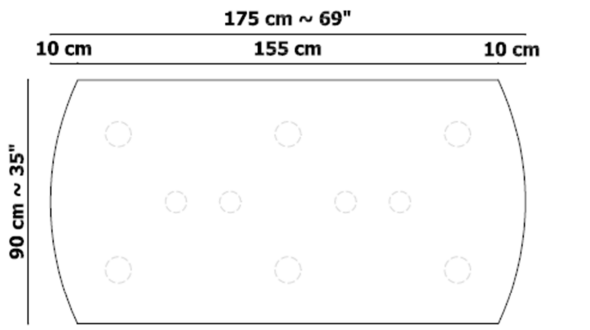

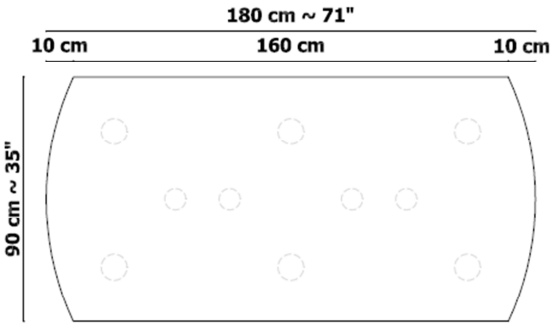

The harmonious shape of this type of table and the sophisticated colors create an elegant atmosphere, full of nobility and dynamism.
