MÆNSA PREMIUM COLLECTION

INSPIRED BY ELEGANCE OF NATURE

MÆNSA KOZMIK création

Designer: Bucurenciu I. Mircea

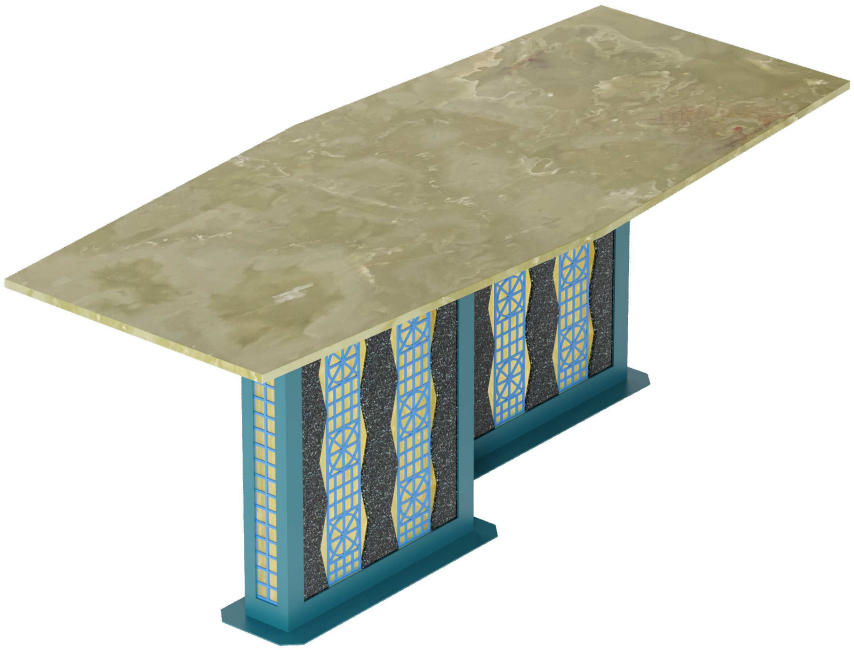

MÆNSA KOZMIK création is a high quality product. The countertop is made of Lemon Ice onyx, a spectacular, translucent natural stone that will create an impact in any type of arrangement. This type of onyx is extracted from the Damqan region, Iran. The imposing design of the metal structure, together with the premium materials define a luxurious experience.

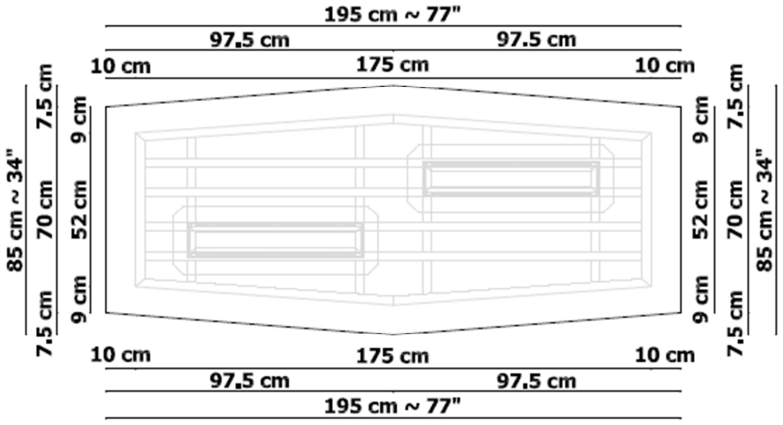

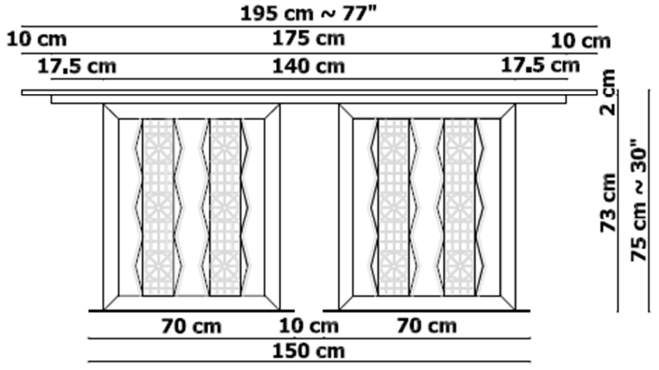

The Emerald Pearl granite inserts, with great visual power, are capable of creating reflections depending on the light in the room and will bring a distinctive experience with a strong visual impact. This specially designed product stands out for its harmony of shapes as well as its strong personality and will transform any room into a masterpiece.
