INSPIRED BY ELEGANCE OF NATURE

MÆNSA KUBAR amber glow

Designer: *Bucurariu I. Mircea*

MÆNSA KUBAR amber glow is a high quality product. This product can be used as a coffee table with a strong visual impact in any space, being an exclusive accessory. The materials used to make this product are extremely decorative due to their outstanding colors. Due to the variety of colors, patterns and textures as well as its elegance, onyx in combination with a light source creates amazing effects. Onyx is a semiprecious stone that stands out for its crystalline structure.

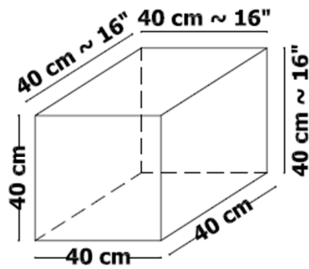

Onyx Red Multicolor, Onyx Persian Tiger and Onyx Miele Vein Cut are a magnificent gift of nature with incredible depth of colors. Tepeaca Pink Rose marble originates from Mexico and is characterized by a prominent veining that gives the product a strong personality and Crystal White marble is an unique white marble with spectacular ice crystals, which is quarried in Vietnam. We can also give you the opportunity to choose Arabescato Vagli marble, which is an Italian translucent marble with an ancient history that is mainly extracted from Italy's Apuan Alps.

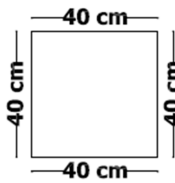

MÆNSA KUBAR amber glow is a versatile product that can be used as a bedside table, side table, coffee table or as a decorative element in any design project. This product can be the detail that transforms your space into something extraordinary.
