MÆNSA SAHRA' desert dream

Designer: Bucurenciu I. Mircea

MÆNSA SAHRA' desert dream is a high quality product. The top is made of Calypso Tropical quartzite, a material with a strong personality and a special elegance. This type of quartzite originates from Brumado, Brazil and is characterized by its golden-yellow color with veins in exotic tones that vary between red, beige, yellow, gold, brown and gray. The lower part of the table is made of Verde Guatemala marble and Calypso Tropical quartzite.

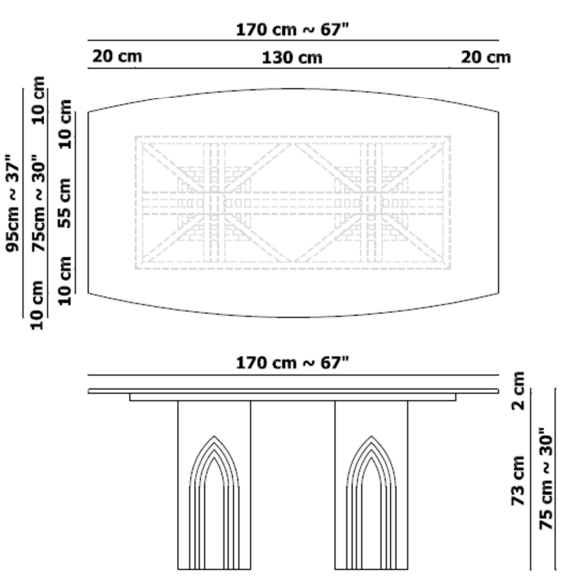

The design of this table together with the spectacular materials used gives a special refinement to the product.
