MÆNSA SPECTRAL brown silk

Designer: Bucurenciu I. Mircea

MÆNSA SPECTRAL brown silk is a high quality product. The concept of this desk was created to combine beauty and functionality with a special attention to details and quality in the desire to transform your space into a masterpiece. Brown silk granite originates from Brazil in the Minas Gerais region. This type of granite is distinguished by its linear, elegant, flowing, warm character and often resembles wood.

The warm colors of this type of granite together with the shape of the metal structure create a dramatic effect that adds luxury and elegance to your space.

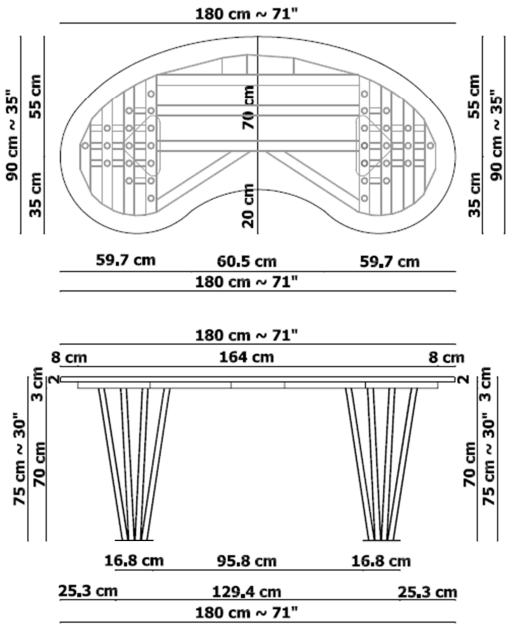

This exquisite design product stands out for its harmony shape and strong personality.
